Design Questionnaire

Customer Name: _____ Spouse Name _____

Date: _____ Phone Number _____

1. Family Members

Please list the names, ages, and favorite activity of each family member. If you have children, what size play area do you visualize having? Any need for handicap accessibility?

2. Pets

Please list any outdoor pet(s) and their name(s). Does an area need to be fenced, and if so, where do you visualize this area? Do you have existing invisible fencing?

3. Entertaining

How often do you entertain guests outdoors? How many people would you generally be entertaining? Would these be casual or formal? Do you have any interest in a fire pit? Need for simple bbq space or interest in elaborate outdoor kitchen?

Main: 248-391-2889
Irrigation: 248-391-6113
Fax: 248-391-1388

Email: info@MillerLandscape.com

Website: www.MillerLandscape.com

4. Season

What is your favorite season of the year?

5. Colors

What are your favorite and least favorite colors? (This is important so we choose the correct plant bloom colors.)

Existing Site Conditions:

1. Front Yard

Please list the current problems (visual and functional) in the current landscape which you think should be minimized or overcome in the design (What do you dislike)? Are there drainage issues to deal with? Is there an issue with deer on the property?

Irrigation: 248-391-6113
Fax: 248-391-1388

Email: info@MillerLandscape.com

Website: www.MillerLandscape.com

2. Back Yard

Same as above.

Developing the Landscape:

1. Front Yard Potential

Please list all of the positive elements and qualities of the front yard, which should be retained or enhanced.

Any plants or landscape elements with sentimental value?

2. Back and Side Yard Potential

Same as above.

3. Desired Site Character
